**SUMMARY**

This bill would prevent an excluded local-government employee from receiving automatic compensation in his or her annual contract without first receiving an annual performance review.

**COMMENTS:**

The August 18, 2010, amendments removed provisions that would have authorized the county board of supervisors to increase the fee to record property-related documents. The amendments also added provisions to the Government Code that would limit the contracts of excluded local-government employees.

These amendments would not impact the department's programs, operations, or state income tax revenue. As a result, the department's analysis of the bill as amended June 24, and July 7, 2009, no longer applies.
